The Shawano Area Agricultural Society has been busy planning for the Annual Shawano County Fair and would like to invite you and your business or company to be our partner in providing an outstanding fair to the people of Shawano County and all those who attend our fair. Your financial help will be used to support the many areas of the Shawano County Fair.

We are hoping to include your business or company in the Shawano County Fair. Attached you will find many sponsorship opportunities. Please take a look and consider supporting one of the many departments at the Shawano County Fair.

The Shawano County Fair is one of the biggest attractions in Shawano County and it is our goal that the fair will continue to grow in entries and events. The fair is also a great event to catch up with many friends and family.

By supporting the Shawano County Fair, your business will be listed on our newly redone website. Check out the newly designed website at www.shawanocountyfair.net and will also be mentioned on Facebook. Your name will also be listed on the main sponsor board and depending on the size of contribution your business name can be displayed by the department that you would like to sponsor and in our print ads or the lighted sign on East Green Bay Street.

Thank you very much for considering the opportunity to support the Shawano County Fair!!
