Creating Entries

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. If an exhibitor is showing one horse in 3 events, three class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (and entries) or proceeding to check-out (submitting the entries, whether or not fees are charged).

1. Click Add an Entry beside the correct exhibitor (if more than one has been created).

2. Click Select beside the first department you wish to enter. **BE SURE TO SELECT PROJECTS IN THE 100 SERIES OF NUMBER AS THESE ARE JUNIOR FAIR.** Any departments that are not available for entry will be noted as "Not Available" with a short explanation AFTER you try to select them.
3. After you select a department, you will see a list of divisions to select from, and then a list of available classes. *Also notice that there are blue "Change" links. Once you have created an entry, you can simply "change" the department or division to go to your next entry.*
4. Make the appropriate selections on each screen and click green Continue button. IF you are in 4-H AND FFA, be sure to SELECT THE
